Challenge & reward yourselves

An escape to spend three nights at Kinloch Manor & Villas and tackle The Kinloch Club, New Zealand's only Jack Nicklaus Signature Golf Course.

Challenge Yourself

Dubbed "New Zealand's most cerebral Golf Course" and voted the number one publicly playable course in New Zealand, The Kinloch Club is beautifully challenging.

Play the course unlimited times during your stay. Plus, play around at Wairakei Golf Course with cart, once during your stay.

Reward Yourself

Immerse yourselves in the unique luxury of Kinloch Manor, from pre-dinner canapes and cocktails by the fireplace to the centring escape of the spa which specializes in treatments for weary bodies after a game of golf. Watch Lake Taupo transform from shimmering blue to golden hues as the sun descends.

Savour Estate to Plate Dining

Savour the bounty of Kinloch Manor and our sister property, Treetops Lodge & Estate with exquisite 5-course degustation dining, evocatively paired with sweeping views over Lake Taupo.

Dine in private nooks with a view, or share conversation and learn from culinary masters at the chef's table.
