Licensed for Fun

A Weekend of Thrill, only for Families Licenced for Fun

Kinloch Manor & Villas are known for its Jack Nicklaus designed 18-hole Signature Golf Course, its award-winning architecture, interiors by the talented Virginia Fisher and an exceptional food philosophy of 'estate to plate dining' ... but there is so much more to this elegant 5-star luxury lodge.

It is also licenced for fun ... a fantastic family experience to explore the wilds, the great outdoors, natural wonders, and stunning landscapes – all right here in Kinloch's back yard.

Our helicopter is at your family's disposal and thrill for the flight of your life. Soar over beautiful Lake Taupo and Tongariro National Park (tackle 'The Crossing' if you dare!). See exploding geothermal wonderlands and the thundering Huka Falls ... all from above. Next morning it's your choice; set off with your cycles or ours, with a family favourites picnic onto some of New Zealand's best cycle trails. Or, as a family, play a round on our Jack Nicklaus designed 18-hole golf course, The Kinloch Club. If that's not enough fun, we can arrange white water rafting, jet boating, fly-fishing and much more.

Indoors we have thought of everything a family may need with your choice of Villas Residence's – One, Two and Two/Three bedrooms. Residences have a lounge and a den, with oodles of space, en-suite bathrooms with deep stone baths, wood burning fireplaces, a full kitchen, and all with wonderful balconies and views over the private golf course, down to the shores of Lake Taupo. Our main lodge is BIG, big enough for private family dining or to join guests in the main dining room. It is just a given our Chefs can cater too for all appetites (and even the pickiest eaters). There is a dedicated spa (but Mum or Dad may need to pre-book) and loads space for active families.

This thrilling weekend includes a helicopter ride like no other. Decide on your preferred itinerary choice and your family will depart from our private Kinloch Manor heliport**

Pre-dinner drinks and canapes, our philosophy of 'Estate to Plate' four course dining, and a full gourmet breakfast each day, plus children 12 years or under enjoy complimentary stay, eat and play*
