The Kinloch Club is often compared to classic links courses in Scotland and Ireland. However, instead of traditional sea views, this world-class championship Par 72 course offers panoramic views of Lake Taupo, New Zealand's largest freshwater lake, and the natural beauty of rugged rural farmland. It is ranked as one of New Zealand's best golf courses and is the only Jack Nicklaus 'Signature' design course in New Zealand.

Commendation goes to Kinloch's Golf Director and PGA Professional, Tom Long, who has provided stable leadership since the course's inception and, with the owners' support, has dedicated himself to the constant improvement of the course.
