Raising the
Bar

Inspirational Team Building at Kinloch Manor

Our Raising the Bar program sparkle and fizz with brilliant ways to build individual confidence and greater team spirits. Yes, that's right, champagne, a multiple of spirits, like whiskies and vodkas - perfect for an incentive for two, a residential retreat for up to 40, to a sit down dinner for 220 guests.

Professionals will guide your teams through tutored tastings that reveal the difference between single and blended whiskies, expose secrets of a mixologist's tricks to create memorable cocktails, even bond over the finer points of being a Sommelier and how best to judge and smoke cigars.

We also raise the bar on other team builds, with choices like Golf Tournaments, Hike the Tongariro Alpine Crossing, Pro Balls, Bike Ventures, Tennis Advantage and Spa Well!

Now, here's the clincher. Book 10 delegates or more overnight and we'll donate a bonus premium team-building exercise for everyone.
